

GIVING TREE

Help support families at
Vision House this Christmas!

We need people like you
to host a tree!

- You will receive a kit that includes paper tags to hang on a tree or wreath, an instruction page, brochures, and giving envelopes. Pick up a kit at our office or have us mail them to you!
- Encourage individuals to take a tag as a reminder to visit our online Giving Tree Catalog and choose a gift that will support a family all year long! The website to our catalog is listed on the back of the tag.
