

## **OUR PLEDGE TO YOU**

Vision House volunteers are integral partners in the recovery of families from homelessness. Volunteers contribute resources – time, knowledge, skills, and leadership – that infuse our organization with energy and passion as we help families move forward out of homelessness. Vision House encourages the teamwork of employees and volunteers with the goal of increasing our capacity to serve the poor and homeless, and help promote positive transformation of their lives. Vision House offers meaningful volunteer opportunities to the community, in roles throughout our organization, as we seek to promote our core values of Christ-centered integrity, helping and service, achievement, respect, and teamwork.

### **Volunteers can expect to:**

- Have their time respected.
- Be educated about the organization, including its mission, policies, people, and programs.
- Be provided effective orientation, training, support, and supervision.
- Receive good instruction, by someone who is experienced, well-informed, patient and thoughtful.
- Have the opportunity to build skills and knowledge, through advancement to assignments of more responsibility.
- Be heard, to have respect shown for comments and suggestions, as well as to participate in planning if so desired.
- Be appropriately recognized for their efforts.
- Have the opportunity for fellowship and to make new friends.

...until **every** child has a home.
