### **Vision House Focus:**

- Housing – Stabilizing families with safe, temporary, clean and sober housing as they begin creating the lives they want for themselves
- Housing Stability Support – Building resilience and the life skills necessary to maintain a stable home
- Education and Employment Support – Addressing educational and employment needs to work towards long-term goals
- Financial and Life Skills Training – Offering classes in money management, parenting, boundaries, and self-esteem building to equip families for life-long transformation
- Youth and Family Advocacy – Tailoring services that strengthen the parent-child relationship and equip children and youth to advocate for themselves within the family system
