TURNING THE TIDE

on family homelessness

Fairwood Golf & Country Club

Join us in turning the tide on October 3, 2026 | 1:00 and 4:30 p.m.

Partnership Package

This fall, Vision House is hosting **Turning the Tide on Family Homelessness**, an event held at Fairwood Golf & Country Club in Renton with the goal of raising $200,000 to provide services and support for local families in need.

About Vision House:

As a faith-based nonprofit organization, Vision House has been coming alongside families experiencing homelessness for over 35 years, providing supportive services and temporary housing. Our goal is to break the cycle of homelessness for generations, one family at a time. Built on the commitment and passion to see lives changed, our programs focus on empowering families to overcome the trauma of homelessness and move from crisis to stability and self-sufficiency.

Your Impact:

When you partner with us, you not only underwrite the event, but you also support families on their journeys to find safety and security. Your gift helps them overcome barriers by providing services like financial literacy classes, mental health resources, parenting classes, and more. Your partnership empowers families to leave homelessness behind and create sustainable change for themselves and for their children.

Ways to Give with Event Partnership:

Give your gift over 12 months
