SUPPORTING FAMILIES AT VISION HOUSE

About Vision House

As a faith based nonprofit, Vision House has been providing a temporary housing and supportive services program to help families experiencing homelessness for over 32 years. Our goal is to help families overcome the trauma of homelessness and move from crisis to stability and self-sufficiency.

We serve over 700 families a year through our transitional housing program as well as our diversion services to support single mothers, fathers, and two-parent families. With diversion services, families identify immediate stable housing solutions.

Our program is built upon the commitment and passion to seeing lives changed: **breaking the cycle of homelessness for generations, one family at a time.**

Your Impact

With your sponsorship, you not only underwrite the event, but you support a family in their journey to stability. Your gift can help a family find safety and security through an array of services to help them overcome barriers they may face. You can provide services like financial literacy classes, mental health resources, parenting classes and more.

You can empower a family to create sustainable change for themselves and end their homelessness.

Over 90% of families who complete the Vision House program transition into permanent housing.

Media Exposure

Puget Sound Business Journal Ad—250,000+ distributed

Vision House Website—4,000+ visitors monthly

Invitation—6,500+ distributed

Social media—6,500+ followers
