SUPPORTING FAMILIES AT VISION HOUSE

About Vision House

As a faith-based nonprofit, Vision House has been providing a temporary housing and supportive services program to help families experiencing homelessness for over 33 years. Our goal is to help families overcome the trauma of homelessness and move from crisis to stability and self-sufficiency.

We serve over 1,000 families a year through our transitional housing program as well as through our diversion services to support single mothers, fathers, and two-parent families. With diversion services, families receive assistance in identifying immediate stable housing solutions and guidance in navigating community resources.

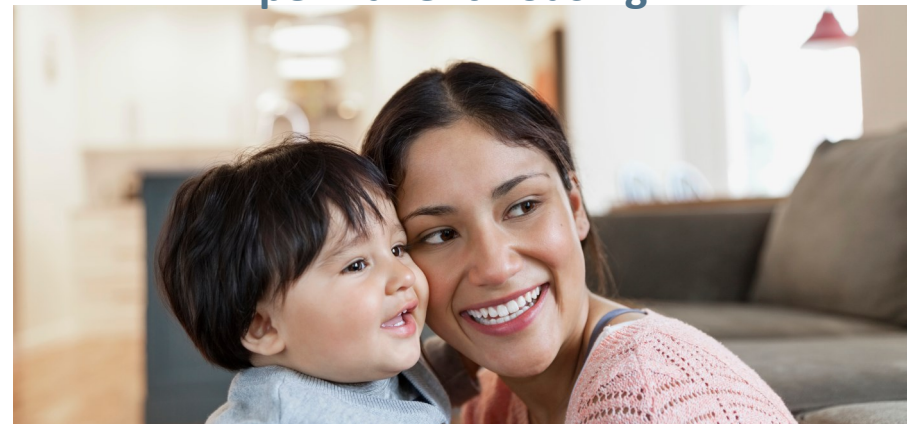

Our program is built upon the commitment and passion to seeing lives changed: **breaking the cycle of homelessness for generations, one family at a time.**

Your Impact

With your sponsorship, you not only underwrite the event, but you also support a family in their journey to stability. Your gift helps a family find safety and security through an array of services to help them overcome barriers they may face. You provide services like financial literacy classes, mental health resources, parenting classes and more.

Your sponsorship empowers a family to create sustainable change for themselves and end their homelessness.

Over 90% of families who complete the Vision House program transition into permanent housing.
